Rotari was born in the heart of the Dolomites. The mountain climate, the special care of the vineyards, the dedication of our winemakers in the manual selection and harvest of the grapes give life to the fresh and fragrant bubbles that are both complex and enjoyable reflections of the characteristics of the region.

Production area

Hillsides of Trentino.

Characteristics

Soft pink colour. Elegant and fruity bouquet, the flavour is fresh, fragrant and intense. Delicate and persistent perlage.
