

Rotari Brut Riserva

TRENTODOC

Alcohol content

12,5%

Serving temperature

6-8°C

Grapes Chardonnay

Rotari originates from the heart of the Dolomites. The mountain climate, that special care of the vineyards, the dedication of our winemakers in the manual selection and harvest of the grapes give life to the fresh and fragrant bubbles that are both complex and enjoyable reflections of the characteristics of the region.

Production area

Sunny hillsides around Trento.

Characteristics

Straw yellow colour and intense and elegant fragrance. The flavour showcases a dry, dull and well-balanced profile. Fine and persistent perlage.
