

# Brut

TRENTODOC

## Alcohol content

12.5%

This noble vine has found in the Dolomites its ideal climatic conditions for developing its unique freshness, fragrance, and intense aromatic notes.

## Serving temperature

42-44°F

## Production area

The vineyards are located on beautiful hills along the Adige Valley at an altitude ranging from 1,150 to 2,000 feet above the sea.

## Grapes Chardonnay

## Characteristics

The wine showcases a straw green color with elegant yellow notes. The bouquet is rich, bursting a mix of fruits and white flowers and enriched with pleasant and delicate yeasty notes.

Full and viscous texture. The perlage is persistent, fine and elegant.
